# Welcome to The Rider News!

## About Us

Rider's award-winning student newspaper is published weekly from September to May. Print issues are distributed throughout both the Rider campus and published on the web. Digital-only issues are published exclusively online. Both print and digital editions are served by a weekly newsletter emailed to all students, faculty, administrators, staff, parents and other members of the community. Together, The Rider News reaches over 5,500 readers through print, digital, email and social media platforms.

The Rider News consistently wins numerous state, regional and national collegiate journalism awards from the New Jersey Press Association and the Society of Professional Journalists.

The Rider News is printed by Engle Printing & Publishing Co., in Mount Joy, Pennsylvania, purchased directly from North American mills, is composed of 50 percent recycled newsprint and 50 percent thermo-mechanical pulp (made from wood-chip and sawdust by products of the wood industry). Our inks are soy or mineral oil, not petroleum-based. Printing plates, litho film materials and silver content and excess issues are recycled after use.
